## La Virgen de la Macarena

Traditional

*Arranged by David Marlatt*

*La Virgen de la Macarena* is a traditional bullfighting song made famous by the great trumpet virtuoso Raphael Mendez. Many great players have performed this standard trumpet solo including Doc Severinson and The Canadian Brass featuring Ronald Romm and then Ryan Anthony. However the arranger's favourite version is a recording by Mr. Vincent Di Martino with the Band of the Battle Creek.

Some of the wild pyrotechniques have been altered but the Mendez solo part will still work with this new edition. There has been a short introduction added quoting part of Bizet's *Carmen*. This introduction serves to set up both the soloist and the famous "bull" tune. The use of *rubato* should move the tempos quite dramatically within the solo sections. Most of the technical figures in the solo part should be played in time so they line up with the accompaniment.
