USA CUSTOM FEATURES

SHELLS

Proprietary Gretsch®, 6-ply shell formula and 30-degree bearing edges. The cornerstone of “That Great Gretsch Sound™.” Often imitated, never duplicated

FINISHES

Nitrocellulose lacquer allows wood shells to breathe and produce added sonic dimensions over time. Hand-finished to shimmering gloss or silky satin. Gretsch Nitron wrap finishes are dazzling to look at and extremely durable

NEW BASS DRUM CLAW

Newly designed die-cast cushioned BD Claw comes standard on all USA Custom bass drums

HARDWARE

Triple-plated hardware is available in chrome, black and gold
