

LARSEN STRINGS^{A/S}

Larsen Strings A/S, Elholm 6 A, DK-6400 Sønderborg, Denmark

Information Sheet

Larsen Original for Violin

Larsen Originals deliver a warm yet direct and unhesitating feel with rapidly achieved tuning stability and consistency of sound. Original, reliable, robust projection, ideal for the brighter to neutral sounding instrument in need of some complementary warmth.

Available in soft, medium and strong tension as individuals strings. The Larsen Original medium strings are also offered as set.

String Details

The Larsen E string is made of carbon steel, supplied with ball or loop end. The A, D and G strings are made using a multi-filament nylon core. The A and D string are wound with precision rolled aluminium flat wire and the G strings with pure silver.

Larsen Originals also offer an E string with a gold plated option, a violin II A with a steel core and a D string wound with pure silver.

Larsen Original for Violin		Soft kg/lbs	Medium kg/lbs	Strong kg/lbs
Type	Tailpiece/Peg Silks
