New Il Cannone® Gold

A World First from Larsen Strings...

Introducing the world's first gold D created in partnership with our gold G made with the highest-grade gold ever used in string design. An exceptionally powerful and unique formulation designed to last, combining strength with sensitivity.

The new and unique Gold D and G have probably the longest lifetime ever offered in violin strings. Maintained conscientiously, with attention to cleaning after each performance, you can rely upon Il Cannone Gold to keep delivering.

Reviews of the Il Cannone Gold sound include: *'incredibly powerful, a palette of sensuous sound colours, fast, strong, crisp, durable, long-lasting, unique.'*

String Detail

For the new Il Cannone Gold we have combined the premium quality D & G with our exclusive carbon-steel E and an A wound with precision rolled aluminium flat-wire.

The A, D & G are built upon our latest and most advanced core materials and all created with our world-renowned attention to consistent quality.
