

Professional Series, Key: F, Material: Yellow brass, Front action valves: 4 pistons/ 1 rotor, Bell: 366mm (14-3/8"), Bore: 17.5-18.5mm (0.689-0.728"), Finish: Clear lacquer

The 621 is ideal for soloists and those who need an optimum of control and tonal clarity. The response is quick and secure, and the intonation extremely accurate. And the warm, rich sound has a focused tone center for superior projection.

Features

5th Valve Slide

A 5th valve slide extension supplied with the YFB-621/621S allows you to change between "longer half step down" or "longer whole steps down".
