

Custom Series, Key: F, Material: Yellow brass, Front action valves: 4 pistons/ 1 rotor, Bell: 446mm (17-1/2"), Bore: 19.5mm (0.768"), Finish: Clear lacquer

The 822 is acknowledged by many as the world's finest F tuba. It features a big warm powerful sound, and an even playability. The low range plays and sounds like that of big C tuba, yet the high range offers easy control with assured attacks. The 822 is favored by both soloists and orchestral players alike.
