# DRAW A MUSICAL NOTE

Musical notes tell us what keys to play. They look like this:

First you draw a big dot:

Then you add a line at the side:

Try drawing a note *yourself:*

You'll see lots of notes throughout this book.

FINDING THE KEYS

Before we play our first tune, we need to find the keys it uses. **THE WEEKEND** uses the group of 2 black keys together:
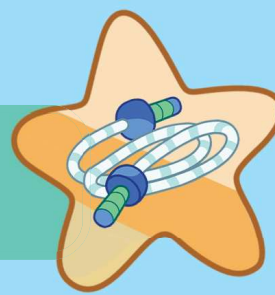

Circle the groups of 2 black keys

How many groups of black keys are there on your piano?

JUMPS IN MUSIC

When we skip over a note it's called a jump. Jumps can look like this:

JUMP UP

1   3

WE JUMPED OVER FINGER 2!

WE JUMPED OVER FINGER 3!

JUMP DOWN

4   2
