## NEW! DOUBLER STRAP™

- Soft, comfortable neoprene pad
- Two separate straps and hooks
- Perfect for doubling in the pit between instruments of different sizes
- Keeps each instrument's strap length adjusted for faster changes
- Several hook/strap options

Swivel and Swivel (Webbing)

Neotech's new **DOUBLER STRAP™** is the ideal solution for musicians who play multiple horns of varying sizes. Often when playing in the orchestra pit there are only a few bars to change instruments. With the **DOUBLER STRAP™**, there's no need to take the time to readjust the length... just remove one horn from the first hook and apply the second horn to the other hook. Fast and easy! The pad features a laminated construction of neoprene, elastic reinforcement and memory foam for complete comfort during long practice sessions or gigs. With one longer and one shorter strap, it's a simple matter to switch from a bari sax to an alto in just a few seconds. Take the stress out of doubling with the **DOUBLER STRAP™** exclusively from Neotech!

### DOUBLER STRAP™

Stock #	Strap/Hook Styles (lower-upper*)	Approx. Sizes	Color
2001302	webbing straps 2 swivel hooks	16" - 20" (40,6 - 50,8cm) 20" - 25" (50,8 - 63,5cm)	Black

0901402	Shoulder Cush™	10" x 2.75" (25,4 x 7cm)	Black

# New for 2019

## NEW! FLAP-IT POUCH™

- Several sizes for sax necks and mouthpieces
- Soft and durable neoprene construction
- Bound edges for extra protection
- Convenient touch closure
- Safe for instrument's finish
- Can be stored in the bell of the instrument

The **FLAP-IT POUCH™** offers a new way to store saxophone necks and mouthpieces. It features a soft neoprene construction to cushion delicate pieces, particularly when stored together. The **FLAP-IT POUCH™** has a tapered shape for maximum efficiency when storing necks and mouthpieces of various sizes. The flap cover utilizes a handy touch fastener closure to keep items safely inside while allowing instant access when needed. The edges of the **FLAP-IT POUCH™** are stitched with military-grade thread and an elasticized binding for durability and extra protection. After the gig is over, these pouches can be safely stored inside the bell of the instrument without fear of scratching or marring the finish. Each style is available in two sizes to fit a wide variety of instrument accessories.

### FLAP-IT POUCH™

Stock #	Description	Approx. Size (Flat, top w x h)	Color
2901212	Flap-It Pouch - Mouthpiece, Medium	3" x 4" (7,6 x 10,2cm)	Black

2901312	Flap-It Pouch - Neck, Medium	5.25" x 8" (13,3 x 20,3cm)	Black
2901322	Flap-It Pouch - Neck, Large	5.25" x 9" (13,3 x 22,9cm)	Black

## NEW! POSH-RITE™

- Durable seat cushion promotes better posture and breath support
- Self-inflates and easily deflates
- Instantly makes any chair more comfortable
- Comes with sleeve-style carrying case for easy portability

The **Posh-Rite™** seat cushion is ideal for musicians of all playing abilities. Musicians traveling to different performance venues offering uncomfortable chairs can instantly transform the chair with **Posh-Rite™** for increased comfort. It's also a great way for student musicians to get an early start on developing good posture habits. Make slouching and bad posture a thing of the past!

The **Posh-Rite™** is self-inflating. Simply twist open the valve to start the process! For a slightly firmer cushion, you can blow into the valve before twisting it closed. The tapered design aligns the upper body into the proper playing position to help increase breath support and provide better instrument placement.

When finished playing, **Posh-Rite™** easily deflates by simply twisting open the valve. Once rolled up, it slips into the included handy 4" diameter x 18" long (10,2 cm x 45,7 cm) carrying case for convenient storage or transport. Treat yourself to the **Posh-Rite™** seat cushion as part of your essential gear!
